All,

I will attach the work plan section for the field work only, including a figure that shows the potential source area (PSA) locations.

Rebecca, if you need anything else please let me know by return email.

Susan

Good morning!

My email to PRIDCO weith the draft workplan was returned undelivered by PRIDCO's servers due to size limit. I'm taking Wednesday off and won't have access to my files.

Can you please email or fax the requested information to Rebecca? Please send her all the pages related to Phase I.

thanks

Denise
